PEORIA – The Illinois Department of Transportation announces that northbound US 67 between County Road 1500N and County Road 1600N, just north of Macomb, will be reduced to one lane beginning Monday, April 11.

The lane closure is necessary for pavement construction as part of stage work to build an intersection with IL 336, and will be in place until May.

Please slow down and use extreme caution while driving through all work zones.
